Honorable Commissioner for Patents

Sir:

The Information Disclosure Statement PTO/SB/08a (1449) submitted on November 3, 2009 contains several inadvertent, typographical errors. In the title of FUJIO et al. (citation number 1), the phrase "2B-quinazolin-4-one derivatives" should read "3H-quinazolin-4-one derivatives." Also, the date of the Supplementary European Search Report in the citations 1 and 2 to FUJIO et al. and HATTORI et al., respectively, should be "September 16, 2009" and not "September 9, 2009". The correct information is found on the September 16, 2009 Supplementary European Search Report that was attached to the November 3, 2009 IDS.
